International PhD in Chemical Sciences

December 13, 2016 Aula A
Department of Chemical Sciences

Abdou Lachgar, Ph.D

Professor of Chemistry

Associate Director, Center for Energy, Environment, and Sustainability

Wake Forest University

Winston-Salem,

two lectures:

h 11,30

- **Lecture #1 Solid Acid Catalysts for Waste-to-Biofuels Conversion**

h 15,30

- **Lecture #2 Semiconductors Heterojunctions for photocatalytic solar fuels production**

*The Coordinator of the PhD Program
Prof. Salvatore Sortino*

*The Head of the Department
Prof. Roberto Purrello*
